Assumption of Risk, Waiver of Liability, and Indemnification Agreement

Nature of the Activity Ninja 101 is a recreational facility which offers participants the opportunity to engage in a number of recreational activities designed for fun and fitness. Activities include manoeuvring one's body by climbing, jumping, swinging, hanging, balancing, and other tasks designed to increase the strength, endurance, general fitness, and confidence of the participant. Ninja 101 activities include running up the warped wall, swinging from ropes, rings and cannon balls, jumping castle, gymnastics style tumbling, ring slider, quintuple steps, balance beams, basket ball, rock climbing and many more. Other activities available at Ninja Kids include parties, classes, competitions, school holiday programs, and special events.

However, while there are many benefits associated with these activities, Ninja 101 feels it is important that the PARTICIPANT (which refers to either an ADULT Participant, OR a MINOR Participant and PARENTS/LEGAL GUARDIANS) knows that Ninja 101 activities range from moderate to strenuous. Consequently, Ninja 101 activities, like all physical activities, involve some risks of injury that are inherent to the activity. Some of the inherent risks of the Ninja 101 activities include, but are not limited to falls (even on padded surfaces), collisions with other participants or with stationary objects, landing wrong on leaps or jumps, landing on another participant, over-exertion, attempting actions or manoeuvres that are beyond a participant's capacity, landing on a hard surface, slips and falls within the activity area or in other parts of the facility, unexpected failure of the equipment, and shifts in padding. Other inherent risks include erratic or careless behaviour of the participant, erratic or careless behaviour of other participants, supervisory or judgment error by Ninja 101 staff (e.g., supervisor misjudging the capacity of the participant to perform a task; failure to spot a hazard during facility inspection). Further, Ninja 101 feels that it is important that the PARTICIPANT/PARENT understands that minimal, serious and catastrophic injuries can occur in any physical activity. While it is impossible to eliminate all risk and possibility of injury, Ninja 101 1) has designed the facility with safety as a prime concern; 2) provides padding of floors and many stationary objects; 2) has trained supervisors on duty; 3) provides general supervision of activities; 4) provides instruction and emphasizes safe skill progressions.

I, the PARTICIPANT, have read the above paragraphs and **know** that activities at Ninja 101 contain inherent risks which vary with the activity. **I understand the demands** of those activities relative to my physical condition and skill level (or that of my minor child), and **I appreciate the types of injuries** that may occur as a result of activities at Ninja 101 and their potential impact on my well-being and lifestyle (or that of my minor child). **I hereby assert that my participation (or that of my minor child) is voluntary and that I (and my child) knowingly assume all inherent risks.**

In consideration of permission to use the Ninja 101 facilities and services, today and on all future dates, I, the PARTICIPANT/PARENT, on behalf of myself, my spouse, my heirs, my parents or guardians, personal representatives, and assigns [hereafter referred to as Releasing Parties] **do hereby release, waive, discharge, and covenant not to sue Futsal Institute T/A Ninja 101**, its owners, directors, officers, sponsors, affiliates, employees, volunteers, independent contractors, equipment providers, agents, and facility owners [hereafter referred to as Protected Parties] from liability **from any and all claims arising from the ordinary negligence** of Ninja 101 or the Protected Parties. This agreement applies to 1) personal injury (including death) from incidents or illnesses arising from participation in Ninja 101 activities (including, but not limited to, instruction, individual or group play, parties, competitions, classes, school holiday programs, special events, observation, use of Ninja 101 facilities or equipment, and all premises including the associated sidewalks and parking lots); and to 2) any and all claims resulting from the damage to, loss of, or theft of property. 3) I authorize any representative of Ninja 101 to contact medical services for myself/child and I assume the cost associated with this. I, the PARTICIPANT/PARENT, also agree to protect, defend, indemnify and hold Futsal Institute T/A Ninja 101, including its Protected Parties from and against any and all claims, demand, losses, suits, liabilities, costs, or other damages including court costs and attorney's fees, arising from any injury to, or death of son/daughter, the undersigned, or any other persons or damage to or destruction of property arising out of or in connection with any damage to third parties occasioned by, incident to, arising out of, or in connection with my/ my son/daughter's participation.
